**Re-establishing Eligibility after a Determination of Total and Permanent Disability**

If you have been granted a Total and Permanent Disability discharge of your federal student loans or TEACH Grant service obligation, you will not be eligible to receive a new Direct Loan, Perkins Loan, or TEACH Grant in the future unless:

- You obtain a certification from a physician that you are able to engage in substantial gainful activity; and
- You sign a statement acknowledging that the new loan or TEACH Grant service obligation cannot be discharged in the future on the basis of any injury or illness present at the time the new loan or TEACH Grant is made, unless your condition substantially deteriorates so that you are again totally and permanently disabled.

In addition, if you are approved for TPD discharge based on SSA documentation or a physician's certification, and you request a new Direct Loan, Perkins Loan, or TEACH Grant during your 3-year post-discharge monitoring period\*, **you must resume repayment on the previously discharged loans or acknowledge that you are once again subject to the terms of your TEACH Grant service obligation before you can receive the new loan or TEACH Grant.**

\*A borrower who received a TPD discharge based on a determination from the VA that he or she is unemployable due to a service-connected disability is not subject to a monitoring period and is not required to resume payment on the discharged loan as a condition for receiving a new loan.

**Request for Financial Aid – Student's Statement**

I am requesting a new Federal Direct Loan, Federal Perkins Loan and/or a Federal TEACH Grant for the 2016-2017 academic year. I understand that any federal student loan(s) I accept after my previous disability loan discharge cannot be discharged under the same disability unless that condition substantially deteriorates to the extent that the definition of total and permanent disability is again met. I acknowledge that collection activity will resume on any loan that was conditionally discharged in the last three years\*, and that the loan cannot be discharged, unless the impairment substantially deteriorates. I understand that I may be eligible for an in-school deferment.
