The upcoming HUB outage scheduled for this June is a change to the typical outage window for a system upgrade. Below you will find an outline of the outage timeline and services that will be impacted.

A HUB outage is scheduled for:

Starting: **Friday, June 20th**   **12 noon EDT**
Services Resume: **Saturday, June 21st**   **12 noon EDT**

This outage will impact the following services:
- HUB Faculty Center
- HUB Student Center
- HUB Administrative access

During this time Epay, iTunes U, the UBlearns Course Setup Tool, Course Schedule and HangTag applications will be unavailable. UBlearns will be available during this outage.

Please note that this outage is longer than usual due to the size of the upgrade. Be sure to plan accordingly for this system outage; we apologize for any inconveniences this may cause.
