If students believe that they were assigned the wrong time in error, please check their cumulative credit hours in HUB. If you confirm that the student's enrollment appointment is drastically different from this chart, please contact HUB Term at HUB-TERM-LIST@litserv.buffalo.edu. This list should also be used to assign an enrollment appointment to a student who does not currently have one.

Open enrollment begins November 12 at 12:00 AM. Once open enrollment begins, students do not need an enrollment appointment to register.
