

Fall 2015 Enrollment Appointments

Beginning March 23rd students can view their personal enrollment appointment information in their HUB Student Center (via MyUB). On March 23rd, students who do not see an enrollment appointment should contact the Office of the Registrar at ubregistrar@buffalo.edu. (Note that incoming undergraduate freshmen are not assigned an enrollment appointment.)

Appointments are assigned based on student credit hours, with priority given to students with higher credit hours earned prior to the start of spring 2015 semester.

All enrollment appointments will begin at 7:00 AM on their assigned day. Once a student's appointment time begins, s/he can drop and add courses until the end of the drop/add period for the session.

For the regular 15 week session and the 7 week first session, students will have until the end of the 7th day of classes to drop and add (Sundays and holidays are excluded from calculating these days.) **Class dates and drop/add dates are based on the session. Students should view their course schedule in their HUB Student Center for information on drop, add, and resign dates.**

After enrollment appointments end, open enrollment begins. During open enrollment, all eligible UB students can register without an enrollment appointment.
